

**iLuv Announces Availability of the i1166 9” Portable Digital  
Multimedia Player for your iPod and DVD/DivX  
– The Perfect Solution For Travel Entertainment**

*i1166 Features DivX video playback and a Digital Panel with Enhanced  
Resolution for Media Viewing for iPod & DVD, SD / MMC / USB Slot,  
Digital Photo Frame Capability*

**PORT WASHINGTON, NY – (September 28, 2009)** - iLuv, the leader in innovative audio solutions, is proud to announce the availability of their best 2009 invention from a new line of enhanced and creative products, the **i1166**, 9” Portable Multimedia Player for iPod and DVDs. The “**CES Best of Innovation 2009**” award winner in the *Portable Multimedia Accessories* product category, the i1166 features an iPod-friendly user interface (UI) and brings hours of widescreen personal multimedia entertainment to travelers starting mid October 2009 at [www.i-luv.com](http://www.i-luv.com) for the MSRP of \$269.99.

“We are confident that the i1166 will blow away every gadget lover’s expectations with what it can do and get tremendous attention from the holiday gift buyers. There’s virtually nothing it cannot play! We proved that we listen to our customers’ need by upgrading the picture quality, enhancing the playback solutions, and building it user-friendly.” says Howard Kim, iLuv Marketing Manager. “I can proudly say we’re introducing the most advanced portable multimedia player up to date”

---
