iLuv Debuts iSM524, ArtStation™ Pro, The World's First Audio Dock For Samsung GALAXY Tablets

Transform Your Samsung GALAXY Tablet into a Home Entertainment Center with the iLuv ArtStation™ Pro Audio Dock

Port Washington, NY – December 12, 2011– [iLuv Creative Technology](#), the premier provider of the most comprehensive line of accessories for the mobile lifestyle, introduces the world's first and only audio docking station for Samsung GALAXY Tablets, the iSM524, ArtStation™ Pro. The [iSM524](#) combines superior aesthetic design with cinematic sound quality to heighten your Samsung GALAXY Tab experience.

iLuv is the only [mobile accessories innovator](#) to deliver an audio docking system that unleashes the full potential of the Samsung GALAXY Tab and transforms the tablet into a home entertainment center that enables users to easily and comfortably enjoy music, movies, TV shows and more. The [ArtStation™ Pro](#) is the result of the Designed for Samsung Mobile strategic partnership between iLuv and Samsung, which brings to the market highly differentiated accessories solutions with unquestionable value for Samsung GALAXY mobile devices.

“At iLuv, we continually strive to anticipate and deliver the most comprehensive range of feature-rich solutions for every facet of the mobile lifestyle,” said Pia Chon, marketing director at iLuv. “We are proud of our partnership with Samsung, and of the fact that we are the first and only company to offer an audio dock for the GALAXY Tab series. The ArtStation™ Pro for GALAXY Tab is truly a testament to iLuv’s design and engineering prowess and enhances the Samsung GALAXY Tab beautifully.”

The [ArtStation™ Pro \(iSM524\)](#) complements the Samsung GALAXY Tablet line with a sleek design that can fit in with any décor—from a minimalist modern loft to a jewel-toned media room. Just place your tablet in the [ArtStation™ Pro](#) and luxuriate in the rich, bold jAura® acoustics that every demanding consumer craves.

The articulating arm rotates for portrait or landscape viewing options and allows tilt adjustment for maximum viewing comfort for GALAXY Tab 10.1/8.9. Additionally, the remote control allows users to skip through audio and video tracks and adjust the volume with ease. For added convenience, the compact remote stores magnetically against the back of the system.

Pricing and Availability

The ArtStation Pro (iSM524) will be available at select iLuv retailers in December and will have a street price (SRP) of \$149.99.

Compatibility

iSM524 is compatible with Samsung GALAXY Tab 7" (version 2), 7.7", 8.9" and 10.1". For more information go to: www.i-luv.com.
